

The Tail Twister

Cullman Lions Club

July 12, 2021

Program

Lion Bill Ruehl discussed the new member acquisition process.

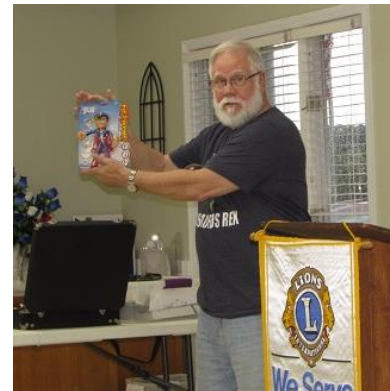

Lion Bill Ruehl

Lion Bill stressed that the Club encourages growth and new members. However, growth should be tempered with a review of proposed members. Regrettably, we have had a few instances where a candidate did not meet Lion standards. Lion Bill requested that the membership committee vet any proposed member before bringing them as a guest to a Club meeting. Contact Lions Gordon Boyd or Lion Bill with the name of the individual you are considering. The membership committee, in conjunction with the Board of Directors, will then perform a background check. You will be notified of the results as soon as possible.

Commission on Aging Venue

The Commission on Aging Building was outstanding as a meeting place. It is handicap friendly, the right size, and the AC worked like a charm. Additionally, the acoustics do not require amplification for a speaker to be heard. The Club members voted a \$100 honorarium for each time the Club meets in lieu of no rent.
