

The Tale Twister

Cullman Lions Club

Feb 10, 2020

Program

Lions Randy Kraft and Chris Robinson took the podium to request program suggestions from our audience for the remainder of the year. Lion Randy passed out pencils and paper for the input suggestions. An option for consideration was that we try only having two programs each month, with other meetings devoted to fellowship and getting to know one another better.

(L to R) Lion Randy Kraft and Chris Robinson make an appeal for suggestions for our weekly meeting programs.

Following tonight's meeting we gathered all the Chairmen & Co-Chairmen of the Fish & Ham Dinner committees or teams for a short review of our team status and a few changes. At our meeting on the 24th we will be asking team Chairmen, a representative from the Leo Club, and a representative from the Lioness Club to talk 3-5 minutes about their team's operation, safety, etc. for the Dinner. This is mainly just to give everyone a better understanding of how & why we do what we do at that event.

Other Business

Lions Jerry Caudle and Ed Henke continue with health challenges. Lion Jim Rooker was with us tonight and says that his chemotherapy is progressing successfully.

We will not be meeting here next Monday evening. Instead will be supporting the annual Empty Bowls Dinner program on that evening at the Methodist Church. Lions can eat for free. This program directly supports Cullman Caring for Kids.

New Lion Mark James

Our newest Lion, Mark James, introduced himself to us tonight. He is originally from Cullman. Most recently he and his family served as part of the Kenya Relief effort. Lion Mark also claims Lion Jerry Eddleman as his uncle. I'm sure Lion Randy Kraft will be asking Lion Mark to serve as a speaker in the near future for a program on his experiences with Kenya Relief.
