## Cullman Lions Club

June 15, 2020

### Program

Tonight, there was no program, and our venue was back at the Fair Grounds. Again, until further notice we will continue to meet at this location.

Club President, Lion Andrew checks-in with injured Lion Clark Rainwater.

Lion Clark Rainwater, Chairman of the Election Committee stated that his committee is waiting on two lions to confirm that they were willing to be listed on the ballot before presenting it to the Club. Normally, new officers assume those roles in July.

Lion Richard White again filled in as our tale twister. The joke tonight dealt with a drunk's dilemma on a merry-go-round.

Lion Barry Willingham tells us the latest news about activities at the Cullman County Court House.

Lion Barry Willingham gave us an update from the Cullman County Court House that the Probate Judge's Office would be closed until June 22 due to a possible case of Covid-19 among one of its employees. The Revenue Office and Driver's License Office are open but are taking extra precautions to due to the pandemic. They are just allowing a few customers at a time into the Driver's License Office, so come early to avoid a longer wait. Lion Barry said his office is maintaining social distancing for everyone and cleaning surfaces after servicing customers.

### Other Business

Lion Jim Howard continues to recover from a relapse, following back-surgery; Lion Jim Rooker continues with cancer treatments; Jim Grier has some medical issues, and Lion Clark Rainwater had an arm in a sling, although he was able to join us tonight. Keep these Lions in your prayers.
