## Cullman Lions Club

March 18, 2019

### Program

Lion Dennis Berse introduced our program tonight, presented by Mr. Zak Wood and Mr. Dyron Powell. These gentlemen are prospective new owners of the All Steak restaurant. They both have roots in Cullman; Zack graduated from Cullman High School and then Auburn, then he worked in a family business here in Cullman and was a member of the Rotary Club. Dyron attended Wallace State and has operated an upscale restaurant in Birmingham for the past 11 years.

(L to R) Mr. Dyron Powell, Mr. Zak Wood, and 2<sup>nd</sup> Vice President Lion Javon Daniel.

The pair said that one reason they wanted to speak to us tonight was to dispel many rumors concerning changes that may come to pass if their ownership happens, as they hope. They do intend to keep the All Steak's 85-year-old name, and to continue serving its famous orange rolls as a staple. In general, they promised to continue the restaurant's support to our Club as its meeting place and to provide

meals under current terms and with our costs, unchanged.

Once they Mr. Powell and Mr. Wood are running the All Steak, their intention is to provide fresh, high quality meals to all customers. They discussed possible changes to hours of operation, along with details of other changes, and a planned timeline of their transition to ownership. Zak and Dyron also answered a number of questions from our audience. However, since they have not yet closed the purchase and have not finalized their plans, they asked that that these details of what we heard tonight not be published in this newsletter; this was also the reason that tonight's meeting was restricted to "members only".

### Other Business

Lion Lummie Speakman continues to improve since his accident and believes he may be able to attend our next Club meeting.

Lion Gary Murphree recently managed to have a heart-attack and a short stay in the hospital without letting us know; he was recovered enough to be with us tonight and is feeling much better.

Lion Austin Monk was present and accounted for tonight as he continues to account for all the Fish & Ham ticket sales. Please get your sales money turned in to him so we can wrap-up this event for the year and see what our bottom line was.
