

The Tale Twister

Cullman Lions Club

May 10, 2021

Program

Lion President Javon Daniel asked Lions Morris Mangum and Chris Robinson to say a few words about instances of having the most fun and about most rewarding experiences being a Lion. Lions Morris noted that he had many fun and great days with Lion friends through the years. Lion Chris mentioned how much he had enjoyed the Fair, working in the concession stand, talking with the public while selling mops & brooms from the Walmart parking lot, and as master of ceremonies during the Fair pageants. He also recalled a memorable instance where a grandfather, near the end of his life, expressed his gratitude that he was getting to take his grandchildren to the Fair for one more memorable, great day before he passed-on.

Lions Morris Mangum and Chris Robinson recount some of their Lions Club memories.

Other Business

Lion Secretary Don Smith announced that former Lion, Austin Monk was approved for current membership in our Club.

Lion Charlie Powell forwarded a message from Lion Samuel Tucker asking for our prayers because he, his wife, and one of sons had tested positive for Covid-19. I called this Saturday to inquire how they were doing. Lion Samuel reported that although both he and his wife had some rough days, they had received antibody infusions a couple of days ago and were feeling better; his son has had milder symptoms.
