

The Tale Twister

Cullman Lions Club

May 24, 2021

Program

There was no program speaker tonight – just catching up on recent activities. Lion President Javon Daniels asked about the origin of Veterans Day: The answer is that it was originally created as to honor the Civil War dead (which took more U.S. lives than any other of its wars), and it was inspired by the way the Southern States were honoring their dead. Union General John A. Logan in 1868 called for a nationwide remembrance-day in late-May each year for those on both sides who lost their lives in the Civil War. Lion President further stated that it was an honor to serve in an organization that still believes in the Pledge of Allegiance to our great Country.

Nice crowd tonight, looking out over Lion President and Vice-President.

Other Business

Lion Dennis Berse introduced the new Lion that he sponsored as a new Lion, Bobby Calvert, who works locally as an electrician. Thanks, Lion Dennis.

President Lion Javon Daniel thanked the many Lions that help out at last Saturday's Better Business Bureau (BBB) Shred-a-thon. At least 140 cars came by to unload and shred old documents. In addition, over 300 lbs. of food was collected for the "Caring for Kids" organization. The Club got a "Certificate of Appreciation" from the BBB, as well as a \$ check to help us further help the community.

The Tale Twister

Cullman Lions Club

Funeral for Lioness Marcey Lasseter was held on June 3rd. She was the wife of the late Lion, Coy Lasseter.

Secretary Lion Don Smith gave a short Club Board of Directors report stating that the realtor for the Club's Smith Lake property had request that we lower the asking price; the BOD granted a reduction of half our realtor's recommendation, which is still well above the Club approved asking price. Also, President Lion Daniel will contact the District Governor Moxley to officiate our Club officer induction ceremony; alternate Club meeting sites are being reviewed for this event.

Lion Josh Speakman submitted a membership application from Bradley Williams, who works for the Cullman County Economic Development Board.
