

The Tale Twister

Cullman Lions Club

May 9, 2022

Program

Our planned speaker, the Cullman County School Superintendent, Dr. Shane Barnette, had to cancel his speaking engagement, tonight. Acting Tail Twister, Lion Richard Gurley, told a pretty good joke about an obnoxious parrot than got shut up in a freezer.

Other Business

The Club's help in the Shred-a-thon was a success with a good turn-out of Lions on Saturday, May 14th.

The Better Business Bureau's Ms. Jacqueline Schendel, 2nd from left, was most appreciative of our efforts and had pizza on-hand to keep our strength up.

Lion Dennis Berse, on far-right w/o hat, was successful in getting porta-potty available at Shred-a-thon site. Looks like he's just running back from trying it out.

Shred-a-thon buddies and fellow vets, Lions Chris Robinson and George Krigbaum.

The Fair Board of directors (BOD) is scheduled to meet following the next meeting on May 16th.

Lion Don Smith notified us that the Cullman Fair planning has started, check the website www.cullmanfair.org for updates. This site already includes the latest schedule; review it and let him know if you find any errors or believe that you are aware of information that should, perhaps, be included or updated.

We had another great meal as usual, provide by Mr. Freddy Day. We had choices of spaghetti & meatballs, baked chicken-quarters, green beans, mashed potatoes, salad, sliced French bread, and 3 different kinds of pie.

Another opportunity to feast on a great meal.

The Club voted to donate \$1,000. Lion Javon noted that there are about 6,000 volunteers from other counties are helping the Ukrainians stop the Russian invasion there.
