

The Tale Twister

Cullman Lions Club

October 26, 2020

Program

Again, Lion President Javon Daniel was advised by his physician to stay at home for another week to ensure his recovery from a heart ablation procedure, leaving Lion Vice-President Milford Parrish in charge of this week's meeting.

Lion Richard Gurley filled in for Lion David Bussman as Tail Twister tonight. He was commended for his joke about a talking dog, but the one about a ventriloquist and a blonde fell short of the mark.

Other Business

Lion Jim Rooker's health has continued to decline, and he is now under hospice care. Lion Clark Rainwater is recovering nicely from Covid-19 and feeling very well, except that his sense of taste has gone away.

The Lions Club Board of Directors intends to conduct a virtual internet meeting via email if enough members are not sufficient for a quorum tonight in order to consider the membership application of Chad Willoughby. Dennis Berse is his sponsor, and he was a visitor as his daughter spoke

to us several weeks ago about her fund-raising efforts to help Cullman Caring for Kids.

Fair Board of Directors will meet following next week's meeting.

Lion David Bussman is heading up a committee for putting together a slate of officer candidates for half of the Fair Association Board of Directors. Each year half this Board comes up for election for a 2-year term by our Club/Fair Association members. The election will be held in the next few weeks, prior to the Fair Appreciation Dinner on Dec 14th at Stone Bridge. If you are interested in being a Fair Board member, let Lion David know at cell phone # 256-255-8445.

At the Club meeting next week Lion Jerry Bonner will have tickets for Lions to attend the annual Farm-City Banquet. These tickets will be paid for by our Lions Club for our members, but there will be a charge for spouses and guests. The banquet will be held at Loft 212 on Tuesday night, November 17th, located in the fully renovated Old Cotton warehouse, on the corner of 4th Street SW and 3rd Avenue.

Lion Barry Willingham says that the last day to register is this Thursday, Oct. 29th for absentee-voting for next week's National Election.

Day light savings time kicks in this Sunday, Nov 1st.
